

Thank you for coming today and for all the money that you have parted with for various good reasons throughout the day. Every penny is appreciated & because all who work on behalf of the Trust are volunteers, donating both their time, expertise & petrol, every penny goes to help Ridgebacks in need.

~
More Thank yous

An extra special thank you to all who turned up early to help set up, who plan to stay behind to help clear up or who manned a post during the day - your help is priceless.

~
Have a safe journey home and hope to see you all again next year!!
